President's Message

Summer is here! Every year I have a conversation with myself about staying cool and options for getting out of the heat. Regardless of this annual conversation I genuinely love many things about the valley in the summer, my most favorite is the fresh fruits and vegetables, farmers markets, sitting outside in the evening to name a few.

Since our last newsletter, your board had a mini, in person retreat in April 2022. The retreat primarily focused on technology and converting to google suites. The goal is to automate some aspects of the Boards functions to include fiscal, membership and communication approaches. The Board is now meeting in person. What I have discovered is that Zoom is a wonderful tool; however, it does not compare to meeting in person alongside our Board Members.

Our next REFCO luncheon is scheduled for July 21, 2022 *(see back side for reservation details)*. It is always wonderful seeing all our retirees in person; hope to see you at the luncheon.
