Representing over 7,652 retirees and their families www.refco1.org • INCORPORATED 1978

I just returned from the fall conference of SACRS (State Association of County Retirement Systems) held in South San Francisco. Some of you may not be familiar with this organization, so let me provide some background information. SACRS is the statewide association of 20 County retirement systems, including FCERA (Fresno County Employees' Retirement Association). Its primary purpose is to provide education to the 1937 Act retirement systems' trustees and association staff members. SACRS presents two conferences per year where notable experts in the fields of government, finance, and public pension management share their insight and perspectives on timely and relevant topics. I usually attend both Spring and Fall conferences to stay abreast of what is happening in the domestic and worldwide investment arenas.

Another important organization that is attended by your REFCO representatives is the CRCEA (California Retired County Employees Association), ably covered by our Delegate, Dick Estel. The CRCEA also convenes twice each year and it is comprised of retiree associations representing the twenty counties constituted under the 1937 Retirement Act. One of the critical activities of this organization is to initiate legislation to

develop and maintain retirement benefits. Your REFCO Board must be vigilant in monitoring legislation or statewide initiatives that attack defined benefit public pensions. Currently there are no ballot initiatives but there are two

constitutional amendments introduced in the 2017 legislative session that will probably carry over to 2018. One of them allows the reduction of pensions for existing retirees and we will watch this closely and strongly oppose it with the assistance of CRCEA and other county retiree associations.

Protecting public sector employees' current and future benefits has been a major challenge since the disastrous, near depression-level 2008 Recession. Networks,funded by vested interests pitching 401k Defined Contribution (DC) plans as replacements for public sector favored Defined Benefit (DB) plans, have fueled an intense, sometimes vicious, national debate. The championed 401k plans have left the nation's private industry employees and *See* **President** on page 2

Salvation Army to Benefit from Food Drive

At our January luncheon we will feature The Salvation Army as our Community Outreach Recipient.. We will collect food items and monetary contributions. Checks can be made out to the Salvation Army.

The Salvation Army has responded to numerous natural disasters, transportation accidents, civil unrest situations and terrorist attacks, by providing beverages, meals, and emotional and spiritual care to first responders and survivors, The Salvation Army strives to bring hope and healing to people who find themselves in the midst of extremely difficult situations. When disaster strikes, one of the first signs that help is on the way is often the arrival of a Salvation Army mobile feeding unit, offering meals, snacks and drinks to rescue workers and survivors.

After a family has lost everything in a disaster, The Salvation Army is there to provide emergency assistance to help meet survivors' most urgent needs for food, clothing, shelter and medical services.

Motivated by Christian faith, The Salvation Army deploys specially trained individuals to offer emotional and spiritual care to rescue workers and disaster survivors.

Time to Apply for REFCO's Scholarships

The REFCO Board has voted to award two \$2,000 Anna B. Lund Memorial Scholarships to eligible students attending CSUF and one \$1,000 scholarship to an eligible student at Fresno City College for the 2018-19 school year. The application deadline is March 2, 2018.

Students need to complete a new scholarship application every year because their status might change, such as a change in their major, grade point average, number of units/classes, etc. They must answer "yes" in the check box asking if they are a child, grandchild, or great grandchild of a REFCO member. It is important to write the name of the REFCO member, even if there is not a place on the application to do so. REFCO needs to be able to verify your relative, especially if you have different last names.

A General Selection Committee from each school has the responsibility of reviewing all applications and selecting the scholarship winners.

Once a student has been selected for the scholarship, they receive a written notification of the award prior to the start of the fall semester; however no monies are awarded until the semester is underway and enrollment is confirmed.

In order to be considered for these scholarships, students must complete online scholarship applications at both CSUF and FCC websites.

If you have an eligible student in your family who would benefit from a CSUF or FCC scholarship follow instructions below:

Scholarship Applications for CSUF & FCC are only available online.

For CSUF log on to:

Attention Retirees: We Need Paid Volunteers to Work the 2018 Elections

Are you civic-minded and considering ideas on how to serve your community? In preparation for the 2018 elections, the Fresno County Clerk's office is recruiting individuals to assist with conducting state and local elections.

Paid volunteers are needed to serve as Precinct Officers at the polls or Election Night Workers assisting with ballot and equipment retrieval. Precinct Officers are paid a stipend of \$150 or \$175; whereas Election Night Workers are paid an hourly rate of \$11 per hour including mileage, if applicable.

Currently, approximately 25% of our election day workforce is sixty years or older. Although our younger participants are quick to learn the process, we believe that you have a great deal of knowledge and experience to share with others.

If you or someone you know is interested in participating in the upcoming elections or needs more information, please contact Rachel Lopez at (559) 600-1620 or visit our website at www.fresnovote.com.
