President's Message

The word "government" is being used

lately to dehumanize the people who work for our common good. Government employees who actually do good things such as: building flood channels to protect our homes; protecting the public from contagious diseases; incarcerating

criminals; dispensing justice by rules & laws; caring for our sick and elderly; providing basic necessities for low-income families; overseeing planning and development for an organized community; looking out for the mentally ill; providing shelter as a last resort for the homeless; and protecting the air and water quality for our citizens.

d nity. The vilification of government workers is often nothing more than a political ploy to scapegoat a group of people for partisan political purposes. We are vilified as a group to draw attention away from the abuse of power, uncaring policies, and profiteering at the expense of the taxpayers. So the next time you hear someone vilify a government program or its employees as a group, you might want to examine who is pointing a finger and for what purpose. You may be justified in criticizing

I worked in governmental service for

30 years and my experience with government employees is that they are people

who come to this work because they want to do good things for their commu-

You may be justified in criticizing individual misdeeds, mismanagement, cheating, ineffectiveness, inefficiency or shortcomings of an individual governmental employee but not the entire group. The government is our unified effort to make a great country with actualization of our shared values such as freedom, equality, work ethic, and self-responsibility.

"Help, I've Fallen!"

By Dick Estel

Have you fallen in the last year? If you're over 80, the chances are 50-50. For those over 65, it's one in three.

This information was part of a presentation at the semi-annual California **Retired County Employees Association** (CRCEA) conference, held in Ventura in April. REFCO First Vice President Judy Lemos, board member Julie Hornback, and CRCEA Delegate Dick Estel attended, and shared this information in the hopes of helping our members avoid falls, which are the leading cause of loss of independence. The speaker was Dr. Thomas Duncan, Trauma Medical Director of Ventura County Medical Center. After his 92year old father fell and had to move to a care facility, Dr. Duncan decided to do everything he could to promote awareness of falling and preventive measures. He provided a couple more eye-opening statistics: In the United States, there is a fall resulting in death every 30 minutes, and one requiring an emergency room visit every fifteen seconds. The bottom line for many of us in that over 65 demographic is not "Will we fall?" but "When will we fall and how will it affect us?"

falling percentage, and there are steps we can take, and things to be aware of to prevent falls.

A brochure that was given to conference attendees plus the speaker's

NEXT EVENT: BINGO LUNCHEON SEPTEMBER 7

Of course, we'd like to be in that non-

remarks provided the following steps to prevent falls:

- Begin an exercise program to improve leg strength and balance
- Ask your doctor or pharmacist to review your medications
- Get an annual eye checkup and make sure your eyeglasses keep up with changing vision
- Watch your step be aware of what's around you in your home, on the sidewalk, in parking lots. Beware of throw rugs on slick surfaces or folded up; toys and stuff outside, sidewalk sections lifted up by tree roots, etc.
- Make your home safer by:
 - Removing clutter and tripping hazards
 - Putting railings on stairs and adding grab bars in the bathroom
 - Make sure that lighting is good

Personal experience causes me to add one more – don't hesitate to use a cane or walker.

Upgrade Planned for REFCO Website

We will be upgrading our website in the next few months. Daniel Moore, our Webmaster, will do the work, but we are forming an ad-hoc committee to determine what we want. If you are interested in being on the committee, please email Judy Lemos, our Acting Chair, at <u>jllemos@sbcglobal.net</u>.

Valley Animal Center to Benefit from REFCO's July 20 Food Drive

For our REFCO Food Drive at our July 20 Luncheon, we will be highlighting the Valley Animal Center. Located at 3934 N Hayston Ave. in Fresno, it is dedicated to providing care and shelter to dogs, puppies, cats and kittens. As a no-kill dog and cat adoption center, they provide humane educational classes and camps along with low-cost spay, neuter and vaccinations and a membershipbased dog park. They house hundreds of dogs and cats each year until they are placed in loving homes. Euthanasia is never performed unless the animal is suffering from a serious illness that cannot be cured, or a painful condition that cannot be alleviated.

What is needed most in donations?

- <u>Wet</u> Canned Cat Food **(VAC** receives dry dog and cat food at a reduced price from Science Diet. So, please do not bring <u>dry</u> dog or <u>dry</u> cat food)
- Dog Training Treats
- 33 Gallon Trash Bags
- Laundry Detergent
- Anti-Bacterial Dish soap
- Hydrogen Peroxide
- Distilled Water
- Rubbing Alcohol
- White Bath towels
- Of course, \$\$ donations are always appreciated!

Why Your REFCO Membership is Important

No matter where you live, no matter that you are unable to participate in the quarterly luncheons or monthly REFCO Board meetings, as a Fresno County retiree, you must be concerned about maintaining and protecting your pension benefits. I am certain that you are aware that attacks on public pensions are prevalent throughout our county, state and country.

Some REFCO members have the misconception that their dues are merely paying for this newsletter. The following is a partial list of what is being accomplished with your dues of \$1.00 per month.

REFCO maintains an alliance with California Retired County Employees Association (CRCEA) that provides consulting services to protect our benefits while monitoring local, state and federal legislation that may affect our pensions.

REFCO keeps its members informed on a timely basis concerning important issues, not only through this Grapevine newsletter but our website and email.

REFCO works with active employee organizations and unions to help obtain and maintain retirement benefits for present and future retirees.

Through CRCEA, REFCO works with the other 19 (1937 Act) counties to safeguard pension benefits statewide.

Of course there are other advantages to being a member of REFCO. Dues paying members are eligible to enroll in supplemental insurance plans offered by Pacific Group Agencies, Inc. Available plans include dental, vision, pet, and various other insurance plans at reasonable costs, which can be deducted from your retiree pension payments.

Another benefit of being a member of REFCO is the Scholarship program. Members' relatives who attend California State University, Fresno or Fresno City College may be eligible for monies to assist with their education expenses.

So, if you know any Fresno County retirees who are NOT members, please encourage them to join Retired Employees of Fresno County (REFCO) and help protect pensions for current employees and retirees.

Fallen

my grandfather to use his cane, but he just ignored them. One day he fell, hitting his head against the outside plaster wall. He was not injured, but my parents placed him in a group home. A few months later he fell while going to the bathroom at night. He ended up in the hospital emergency room, where he contracted pneumonia and died a few days later. He certainly didn't die young – he was 100. But he was in generally good health, and if he had taken precautions, he could well have lived another year or two and stayed in his own home. I hope as I get older I can learn from his mistakes.

If you know a business that would be interested in advertising and interacting with our members, please ask them to become a Business Sponsor Member. Request a Business Sponsor Membership application from Joy Clark – email her at: All applications will be reviewed by the REFCO Directors.

Fresno County Federal Credit Union is now Noble Credit Union and we want to thank all Fresno County Retirees for their support through the years. Our commitment to you remains strong and the name Noble was chosen for the credit union with your example in mind.
